THE ink was hardly dry on the contract that brought Phil Neal to Burnden Park before he was signing up again — this time for the Burnden Lifeline Society.

Lifeline's success is well known in the football world and, of course, we here at Bolton were the pioneers of the scheme. The benefits to members and to the club are enormous and in view of that Phil Neal had no hesitation in joining.

He explained: "I think Lifeline is a great idea. Whoever came up with the idea did a great job for Bolton Wanderers, its absolutely tremendous and I hope it continues to prove a commercial success.

"With your continued support I'm sure it will.

"These days the commercial activities of many clubs play a very important part. Some clubs need commercial revenue far more than others. But Lifeline is a scheme which has interested all sorts of clubs — many top clubs are adopting the scheme.

"I haven't been at the club long but I can see that the board of directors have done their bit in trying to ensure the club's future. The fans are doing their bit by continuing to support us and it's my job to get the players to do their bit on the field.

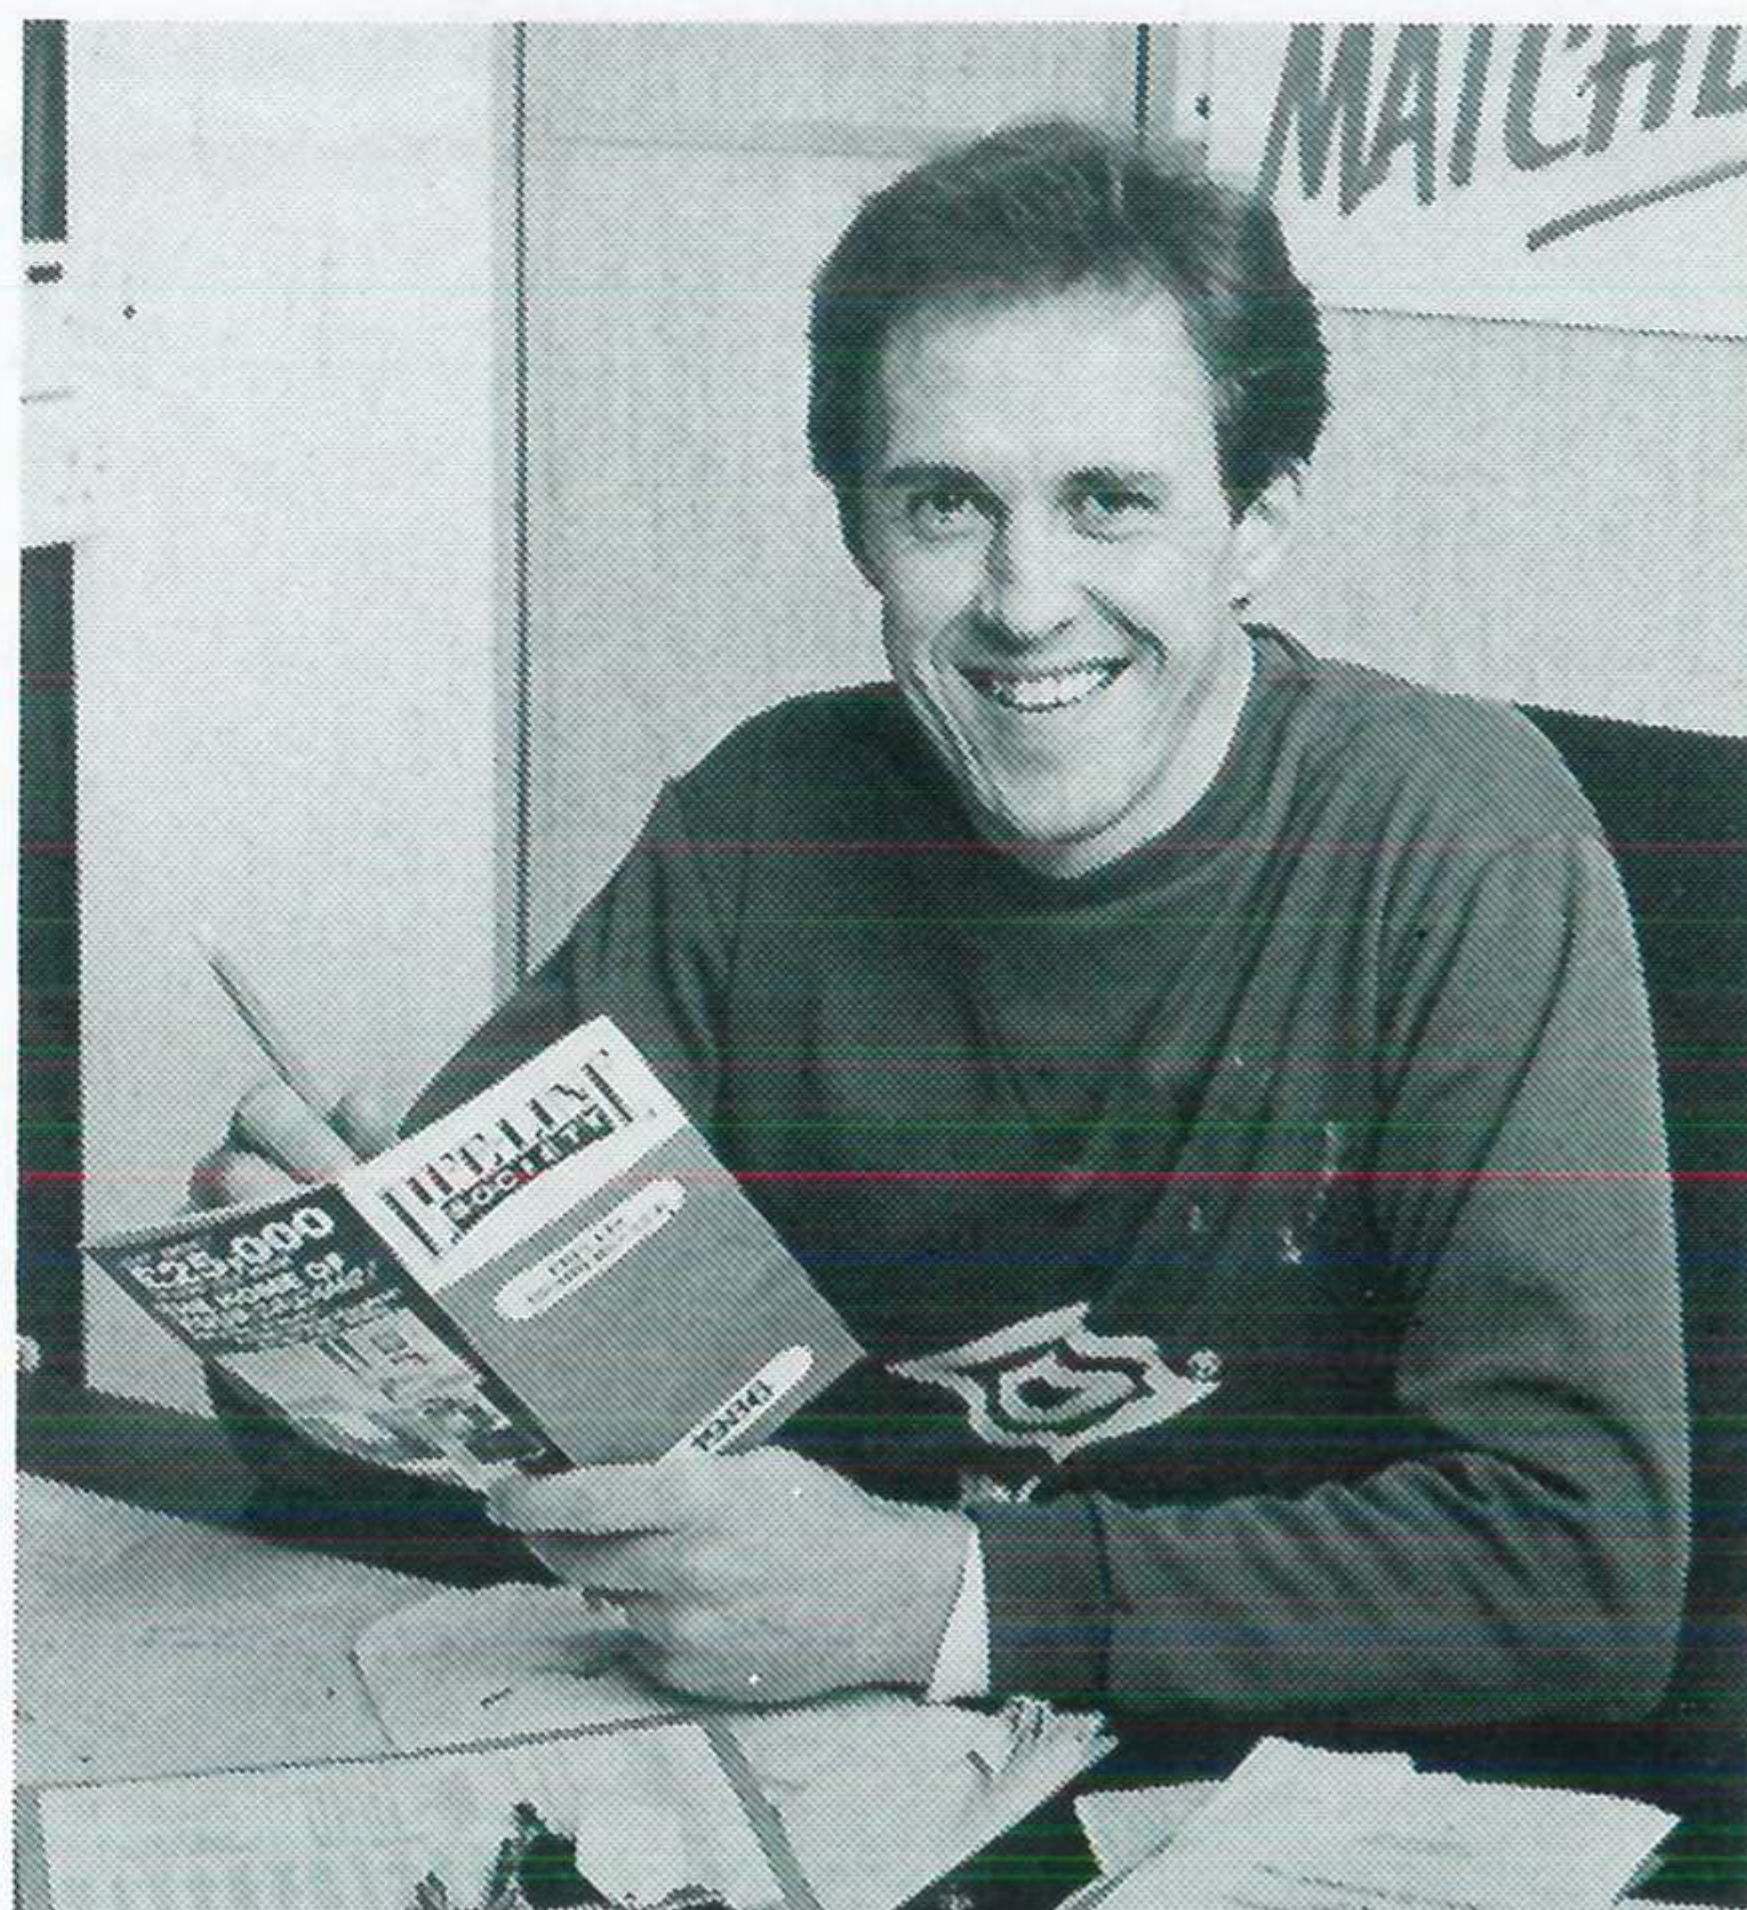

"One of my tasks will be to wheel and deal in the transfer market as I try to improve our squad — not that I want too many new players!

"What Lifeline does is to make more money available.

"For instance when you're going for a player in competition with another club it could turn out that the extra cash from Lifeline might make all the difference between being able to sign him and missing out.

"Hopefully, I can make good judgments in that department in the future and, with Lifeline's help, bring good players to Bolton Wanderers Football Club.

PHIL NEAL SIGNS FOR LIFELINE

"What particularly pleases me about Lifeline is the atmosphere among the members. I was at the Pembroke Halls for the launch of this year's package of events and apart from being impressed by the great prizes on offer I was delighted with the great feeling of warmth among the supporters of the scheme.

"You can tell those people think a lot about the club and if they can bring their children along too, our support will continue to grow."

GILLINGHAM

GILLS' REMARKABLE RECORD IN LANCASHIRE

by Tony Pullein

Gillingham always look forward to their trips to this part of the country. And with good reason. They are unbeaten in their last 13 League and Cup games in Lancashire!

Last season they won 2-1 at Burnden Park and already this season they have done well at Bury (2-1) and Blackpool (2-2).

At the moment the Gills are shaping up well for a promotion challenge though no one at the Priestfield Stadium will be counting any chickens. Several times in recent years the Gills have been poised to step into the Second Division for the first time, only to collapse during the closing weeks.

There were signs of a slump in December, when they collected only one point from three games, but they broke out of that on New Year's Day with a splendid 2-1 victory away to runaway leaders Reading.

The Gills have also won away League games at Bristol City (2-1), Bury (2-1), Bournemouth (3-2) and Wolves (3-1). They drew at Notts County (1-1), Blackpool (2-2), Newport (1-1) and Rotherham (1-1).

Gillingham were beaten at Lincoln (0-1), Plymouth (0-3), Bristol Rovers (0-1) and Darlington (2-3).

Gillingham reached the third round of the F.A. Cup by defeating Northampton (3-0) and Bognor Regis (6-1) at The Priestfield Stadium. Last Saturday, in the third round, they were held to a 1-1 draw at home by Derby County and they were due to replay at the Baseball Ground on Wednesday.

In the Milk Cup they achieved a 3-1 aggregate victory over Fourth Division Southend United but were then beaten in both legs — 1-3 at home, 1-2 away — by Second Division leaders Portsmouth.

Manager Keith Peacock believes in positive, attacking football and, with forwards David Shearer and Tony

Cascarino both in such splendid form, there have been plenty of goals. Only Blackpool and Cardiff have scored more away League goals than the Gills in the Third Division.

Most people who have seen them in action acknowledge Gillingham as one of the most entertaining teams in the Third Division. One little statistic that illustrates this is the fact that only one of their last 77 Leagues matches has ended in a goalless draw.

The club was formed as New Brompton F.C. in 1893 and they initially joined the Football League as one of the founder members of the Third Division (South) in 1920. Very little success was achieved in their early days and in 1938 they were actually voted out of the League in favour of Ipswich Town. They returned in 1950 when the League was extended to 92 clubs.

In 1958 they became founder members of the Fourth Division but in 1964 they won the divisional championship to enjoy their first promotion. They were relegated again in 1971 but they jumped back again three years later and they have since established themselves as one of the better members of the Third Division.

Their Second Division goal has often looked attainable in recent years but, somehow, the Gills have failed to stay the course. Everyone in Kent is currently keeping fingers crossed in the hope that this could, at last, be their year.

THE GILLINGHAM SQUAD

RON HILLYARD (Goalkeeper). Ron now looks back on more than 500 appearances in League football. He first joined York City as an amateur and made his League debut for them in 1969/70. He won a regular place the following season but, during periods when he was out of favour, he spent loan spells with Hartlepool,

Bury and Brighton. He joined Gillingham in 1974 and he made his 400th League appearance for the Gills last season.

MEL SAGE (Defender). Mel developed in the junior teams at The Priestfield Stadium and made his first League appearance four seasons ago. He won a regular place in 1983/84.

JOE HINNIGAN (Defender). Joe was signed from Preston in 1984. He spent his early days in non-League circles with South Liverpool and Wigan Athletic and who with the latter when they were elected to the Football League in 1978. Sunderland signed him for £150,000 in 1980 and he made around 50 first-team appearances for the Roker club before joining Preston in 1983.

KEITH OAKES. (Defender). Keith was signed from Newport County for £20,000 in 1984. He served his apprenticeship with Peterborough and surfaced into their League eleven in 1972/73. He made 65 League appearances for the Posh before transferring to Newport for £15,000 in 1978. For six seasons he was a regular member of their senior side.

MARK WEATHERLY (Defender). Mark is a most versatile player, having appeared in defence, midfield and attack for the Gills. A local discovery, he first played League football in 1974/75 and has now played well over 350 games for the club.

KARL ELSEY (Defender). Though he has spent much of his career as a midfield player, Karl has been playing left-back for the Gills. He began his career with Q.P.R. but got only a few first-team outings. After moving to Newport in 1980, he settled down to regular League football. Cardiff signed him in 1983 and he moved on to Gillingham last summer.

RUSSELL MUSKER (Defender). Russell emerged as a League player

with Bristol City in 1980/81 and for about a year he held a regular place in their Third Division side. Two seasons ago he spent a short loan period with Exeter before transferring to Gillingham.

TERRY COCHRANE (Midfield). Terry has been capped by N. Ireland on 26 occasions. He first won international recognition whilst with Coleraine but he was transferred to Burnley in 1976. Middlesbrough invested £210,000 in his transfer in 1979 and for almost four years he was a fixture in their team. Gillingham signed him in 1983.

DAVID MEHMET (Midfield). Two seasons ago David was Gillingham's leading marksman with 17 goals. And England youth international in his early days with Millwall, David made more than 100 League appearances for the Lions and then joined Tampa Bay Rowdies in a £150,000 deal in 1981. Upon his return to England, he signed for Charlton where he spent two seasons before moving to Gillingham in 1983.

PAUL COLLINS (Midfield). Paul completed his apprenticeship at the Priestfield Stadium and made his first-team debut in an Association Members' Cup-tie two seasons ago. He has been a fairly regular member of the side this season.

DAVID BYRNE (Midfield). David was playing for Isthmian League club Kingstonian when Gillingham spotted him last season. They signed him during the summer and he has now made some 20 appearances in the first-team.

MARTIN ROBINSON (Midfield). Martin joined the Gills from Charlton last season. He began his career with Tottenham but got only rare outings in their League eleven. Charlton signed him for £15,000 in 1978 and he made well over 200 League appearances for them before his transfer.

DAVID SHEARER (Forward). David was signed from Grimsby at the start of last season. He first played League football for Middlesbrough in 1977/78 and, following a loan spell with

Wigan in 1979/80, he won a regular place in the Borough side for about three years before joining Grimsby in 1983. David has scored 11 goals this season.

TONY CASCARINO (Forward). Tony's consistent goalscoring has this season earned him a place in the Republic of Ireland team and he has played in all three internationals this season. Discovered in amateur football, Tony was introduced to the Gillingham side in 1981 and last season topped their scoring list for the second time with 20 goals. He is leading the way again with 15 this season.

DEREK HALES (Forward). Derek joined the Gills from Charlton last season. He got only a few senior games with his first club, Luton, and it was after joining Charlton in 1973 that he became a top scorer. He scored 31 times in 1975/76 and the following season Derby signed him for £280,000. In 1977 he joined West Ham for £110,000 and a year later he moved on to Charlton where he was on four occasions top scorer.

CLUB NEWS

In Retrospect

We welcome Gillingham to Burnden Park today as the two sides face each other in the football league for the sixth time. To date Gillingham are in front in the previous encounters having won four to the Wanderers one and have a one hundred per cent record here at Burnden.

The Wanderers have the distinction of being the first football league side to visit Gillingham, when back in November 1894 they travelled to the Kent side, who were then non leaguers and known as New Brompton. The friendly ended in a 4-1 victory for Bolton but all our league meetings have taken place more recently.

In September 1983 Bolton visited the Priestfield Stadium for the first time in league football but the home side won 2-0 to inflict the Wanderers first defeat of the season. Dave Mehmet opened the scoring in the 24th minute and he set up the chance for Mark Weatherly to score the second after 64 minutes.

The two sides for that game were:—

Bolton: Farnworth, Borrows, Deakin, Joyce, McElhinney, Valentine, Saunders, Chandler, Rudge, Caldwell, Redfearn, Sub Berry.

Gillingham: Hillyard, Sage, Garner, Sitton, Shaw, Handford, Daniel, Johnson, Leslie, Mehmet, Weatherly, Sub Cascarino.

The Gills completed the double by winning 1-0 at Burnden the following April. The winning goal came from a Tony Cascarino header set up by Terry Cochrane.

Last season both sides won on their travels. The Gills registered a 2-1 win at Burnden when after a goalless first half Dave Shearer and Terry Cochrane fired them into the lead. Jeff Chandler pulled one back twelve minutes from time but veteran keeper Ron Hillyard denied Bolton a point, stifling their late flurry, with some fine saves.

Bolton scored their only league victory over Gillingham last April, winning an exciting game 3-2. The result virtually put paid to Gillingham's Third Division promotion hopes whilst also clearing Bolton's relegation doubts. The first half was goalless and it was the Wanderers who opened the scoring in the 53rd minute. Tony Caldwell grabbed his 20th goal of the season slipping the ball past former Wanderers keeper Jim McDonagh after receiving a superb through ball from Jeff Chandler. There was a protest from the Gillingham players, who claimed Caldwell was offside, which resulted in Dave Rushbury being booked.

The Wanderers lead lasted four minutes as Gillingham drew level when Steve Thompson, in attempting to clear a Cochrane cross, sliced the ball into his own net. Bolton again took the lead with a superbly taken half volley from Jeff Chandler, his 20th of the season, but again the home side came back when full back Joe Hinnigan steered a low header beyond Simon Farnworth's reach.

The game was finely poised at 2-2 when Gills striker Tony Cascarino struck a tremendous volley that hit the underside of the bar and bounced down. Again the Gillingham players protested to the referee that the ball had crossed the line for a goal but play was waved on.

Five minutes from the end of what has been the most exciting game between the clubs to date George Oghani

broke from inside his own half, leaving the defenders in his wake, he kept his cool and slipped the ball home for Bolton's winner and his 18th goal of the season.

Earlier this season the Wanderers went down 2-1 at the Priestfield Stadium when once again all the goals came in the second half of the game. A Joe Hinnigan header put Gillingham in front after 65 minutes and when Tony Cascarino raced through the middle twelve minutes later to put them two up, the points appeared to be sewn up. Eight minutes from time David Cross pulled one back for Bolton, with his fifth goal in four games, but they couldn't break the Gills defence for a second time despite causing a few nervous moments for them in the dying stages.

Our league record against Gillingham is as follows:—

	PL	W	D	L	F	A
Home	2	0	0	2	1	3
Away	3	1	0	2	4	6
Total	5	1	0	4	5	9

18th December 1985.

Bolton Wanderers Res 2 Grimsby Town Res 0

Phil Neal's first day at Burnden Park ended when he saw the reserves defeat a strong Grimsby side at Burnden. George Oghani reverted to his more familiar role of striker after a couple of games as an emergency left back and was rewarded by grabbing both Wanderers goals.

Five minutes from the end of the first half Oghani dribbled his way through the visitors defence only to see his shot hit the bar. The striker followed up and bundled both the ball and Town full back, Robinson, into the net before anyone else could react.

Grimsby came back strongly in the second half but Wanderers keeper John Armfield, signed after an injury to Kevin Mailey, did well making a couple of brave saves at the feet of Paul Emson.

The Wanderers made sure of the points in the 85th minute when former Wanderers keeper Dave Felgate failed to hold a George Shepherd cross. Oghani's header struck the bar but again he reacted before the Grimsby defence to force the ball over the line. Mark Winstanley earned himself a booking for tripping Emson, but the young defender did well, along with the experienced Sam Allardyce in the middle of the defence to thwart Grimsby's attacks.

Team: Armfield, Lloyd, Shepherd, Rudge, Winstanley, Allardyce, Walker, Entwistle, Oghani, Allen, Roberts Sub Mullineux for Walker.

Last Saturday the 'A' team drew 1-1 with Stockport County reserves at Burnden. Although the pitch was hard and conditions were slippery, the Wanderers should

Down memory lane

15 years ago 9th January 1971 Orient visited Burnden Park for a relegation battle with both clubs on equal points four places from the foot of the Second Division. The Wanderers still reeling from the cup defeat at York a week earlier couldn't find their feet and were 3-0 down at half time. The Londoners' goals came from Mick Jones, Mick Bullock and Mark Lazarus with Bolton's only consolation being a goal from substitute Jimmy Redfern after 73 minutes.

Bolton's young defender Don McAllister was selected for England youth trials whilst at Burnden the club were still on the look out for a new team manager. Former Manchester United manager Wilf McGuinness was favourite for the position but he announced he had retired from football for the time being.

Blackpool's chief coach Jimmy Meadows was appointed team manager although the side for the following days game was selected by club manager Nat Lofthouse.

16th January 1971. One of the youngest sides ever fielded by the Wanderers took on promotion challengers Sheffield United at Burnden Park. Nat Lofthouse made four changes from the previous Saturday and gave a debut to 17 year old Paul Jones.

The Wanderers could not have had a worse start when John Tudor fired Sheffield into the lead after only 95 seconds. The Burnden babes did not let their heads drop and fought back with Ian Seddon equalising after 19 minutes. Ten minutes from time Paul Fletcher slid home the winner for Bolton although the victory proved to be the last of the season.

10 years ago 6th January 1976. An unchanged Bolton side defeated Brentford 2-0 in a replayed third round FA Cup tie at Burnden. The Londoners put up a spirited performance but had no answer for Neil Whatmore who netted both goals.

The victory gave Bolton a fourth round tie at Ian Greaves' former club Huddersfield Town.

10th January 1976. Referee Pat Partridge called off Bolton's game with Luton Town at Burnden due to a waterlogged pitch.

17th January 1976. Bolton took a point from a goalless draw with Southampton at the Dell. The Wanderers had the better of the early stages with Neil Whatmore going close on two occasions. In the second half Southampton held the initiative although the Wanderers showed how well organised they were in defence, soaking up spells of sustained pressure. The closest the Saints came to cracking the defence was when a Bobby Stokes header from a David Peach cross appeared to be destined for the net only for Peter Reid to pop up and clear the effort.

5 years ago 6th January 1981. The Wanderers faced Nottingham Forest at Burnden in a third round FA Cup replay and were unlucky to go down 1-0 after extra time. Trevor Francis, who always seems to score against the Wanderers, grabbed the winner although Forest had Peter Shilton to thank, the England keeper making two class saves from Neil Whatmore.

10th January 1981. Injury hit Bolton crashed 4-0 at Grimsby Town with keeper Dennis Peacock producing a Jekyll and Hyde performance. It was his blunder that gave Bob Cumming the chance to give Grimsby the lead after 18 minutes but he then produced a string of fine saves to keep Bolton in the game.

Joe Waters converted a 67th minute penalty, awarded for a foul by Peter Nicholson, to put the home side two up and Kevin Drinkell added two more late on to complete the Wanderers misery.

have had the game sewn up by half time. As it was Wayne Entwistle netted Bolton's only goal in the first period although the referee didn't appear to award the goal until George Oghani had followed up to put the ball over the line for a second time. Stockport didn't come into the game until late on and converted what was their only clear cut chance of the game to earn a point.

Team: Welch, Fitzpatrick, Phillips, Senior, Winstanley, Allardyce, Shepherd, Entwistle, Oghani, Roberts, Allen Sub Lloyd for Allardyce, Walker.

Leading Medal Winner

Wanderers player manager Phil Neal is currently heading the leading medal winning table for home competition. Presently he holds 13 medals made up of 7 first division championships, 1 FA Cup runners up, 4 league/milk cup and 1 league/milk cup runners up.

Nearest challenger is Spurs keeper Ray Clemence with 11 who is level with Phil Thompson and next comes another up and coming player manager Kenny Dalglish with 10.

Junior Whites News

Today's mascot is Simon Taylor of Rishton Ave, Great Lever. Simon is 9 years old and attends St Williams Junior School for whom he plays centre forward. His favourite player is Asa Hartford.

The next junior whites meeting is on Monday 10th February commencing at 6.30 p.m. in the Executive Suite.

Shedding The Pounds

FIGHTING the flab after the Christmas festivities need not be a lonely slog. The Men Only Slimming Club which is held here at Burnden Park has produced some terrific results over the past year as members respond to the advice from Pat Nightingale — wife of our physio Peter.

No exercise is involved and the relaxed atmosphere of the meetings which are held on Monday evenings at 7-15 have proved popular with the men who have shed the pounds and the stones.

And just to prove that the women can have the same success in fighting the flab, seven of them lost an incredible 37 ½ stones in 10 months last year.

They meet on Tuesday's at 7.30 in St George's, Plodder Lane and Wednesday's at 7.30 in the Zion Baptist Church. Slater Street (off Higher Bridge Street) Bolton.

LIFELINE — THE KEY TO SUCCESS

ONE lucky member of the Burnden Lifeline Society will pick up the keys to a fabulous new £30,000 Broseley home this afternoon.

It has been success all the way for Lifeline since it was launched in December 1982. But this afternoon's event is the best yet with the climax of the most successful year to date.

Sadly, where the star prize is concerned, there can be only one winner — only one of the 2,200 members will pick up the keys to that dream home. But the Lifeline Society wishes every one of those members the best of luck in today's draw.

But the winning and the benefits of Lifeline members doesn't just stop there. Below is the latest list of winners of the various Lifeline draws.

Will your name join the list in 1986?

The chances of Lifeline members picking up a prize in 1986 are better than ever. The prizes are still sensational but they will also be spread around. So many are on offer, in fact, that we calculate that one in every four members has a chance of winning this year.

Add to that the benefits of using the new Lifeline club which is open here at Burnden Park on matchdays, discounts on season tickets and exclusive social functions through the year and the £2 a week membership represents real value for money.

If you are a Lifeline member make sure you have renewed your membership. If you haven't joined yet take a look at the benefits and make sure you don't miss out.
